

ON-SITE INFORMAL HEALTH AND SAFETY TRAINING

TPDOUBLEO SHE COMPLIANCE

Welcome to Tpdoubleo She Compliance! We are a QCTO Accredited, Department of Labour CI Registered, and SAIOSH Corporate Member, dedicated to providing high-quality safety training solutions. This prospectus outlines our informal training program focusing on safety induction, site-specific risk, and safety operating procedures.

Program Overview

This one-day informal training program is designed to provide participants with a foundational understanding of key safety principles and practices. The program covers essential aspects of workplace safety, including:

- **Safety Induction:** Introducing fundamental safety concepts and company-specific safety policies.
- **Site-Specific Risk:** Identifying and mitigating risks specific to the work environment.
- **Safety Operating Procedures:** Understanding and adhering to standard operating procedures to ensure safety.

Course Content

The program encompasses the following key modules:

1. **Introduction to Occupational Health and Safety (OHS):** Basic principles of OHS and legal requirements.
2. **Hazard Identification and Risk Assessment:** Techniques for identifying workplace hazards and assessing associated risks.
3. **Safe Work Procedures:** Development and implementation of safe work procedures.
4. **Emergency Procedures:** Understanding emergency response protocols.
5. **Personal Protective Equipment (PPE):** Proper use and maintenance of PPE.
6. **Site-Specific Safety Rules:** Detailed overview of safety regulations specific to the worksite.

Learning Outcomes

Upon completion of this training program, participants will be able to:

- Understand basic OHS principles and legal requirements.
- Identify potential hazards and assess risks in the workplace.
- Apply safe work procedures to minimize risks.
- Respond effectively to emergencies.
- Utilize PPE correctly.
- Comply with site-specific safety rules and regulations.

Target Audience

This training program is suitable for:

- New employees
- Workers requiring refresher training
- Supervisors and team leaders
- Anyone seeking a basic understanding of workplace safety.
